General Information

This Information Statement is being furnished in connection with the action by consent of stockholders holding a majority in voting power of the outstanding shares of the capital stock of Finance of America Companies Inc., a Delaware corporation (the “Company,” “we,” “us,” or “our”), to approve the issuance by the Company of up to 5,454,546 shares of the Company’s Class A Common Stock, par value \$0.0001 (the “Class A Common Stock”) (which amount reflects an adjustment for the Company’s 10:1 reverse stock split, effective as of 5:00 p.m. (Eastern Time) on July 25, 2024), that may be issued upon the exchange of certain exchangeable notes (the “Exchangeable Notes”) expected to be issued by Finance of America Funding LLC (“FOA Funding”), a subsidiary of the Company, in connection with the transactions described herein (the “Stock Settlement Issuance”), to comply with Section 312.03 of the New York Stock Exchange Listed Company Manual, which requires that the Company secure stockholder approval in the event of certain transactions involving common stock issuances.

We are mailing this Information Statement to our stockholders of record as of the close of business on June 24, 2024, which is the record date for determining stockholders entitled to participate in the aforementioned action by consent (the “Record Date”).

On June 24, 2024, in accordance with Section 228 of the Delaware General Corporation Law (the “DGCL”), stockholders holding a majority of the voting power of the outstanding shares of capital stock of the Company entitled to vote on the Stock Settlement Issuance as of the Record Date (the “Consenting Stockholders”), upon recommendation of the Company’s board of directors (the “Board”), executed and delivered a written consent to approve the Stock Settlement Issuance.

Effective Date of Action by Written Consent

Pursuant to Rule 14c-2(b) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the action approved by the Consenting Stockholders cannot become effective until 20 calendar days from the date of mailing of this Information Statement to our stockholders. This Information Statement will be first mailed to our stockholders of record as of the Record Date on or about , 2024.

The authorization of the Stock Settlement Issuance will become effective, for purposes of Regulation 14C under the Exchange Act, as early as the 20th day after the mailing of this Information Statement to the Company’s stockholders as of the Record Date who did not execute the written consent approving the Stock Settlement Issuance. Notwithstanding receipt of the aforementioned stockholder approval, the Board retains discretion to consummate the Transactions (as defined and described under “Description of the Transactions and Exchangeable Notes”).

Notice Pursuant to Section 228(e)

Pursuant to Section 228(e) of the DGCL, if an action by consent of stockholders in lieu of a meeting has been taken by less than unanimous consent, prompt notice of the taking of the action by consent must be given to those stockholders as of the record date for the action by consent who have not consented and who would have been entitled to notice of the meeting if the action had been taken at a meeting and the record date for the notice of the meeting were the record date for the action by consent. This Information Statement, which is being delivered to all stockholders of record as of the Record Date who did not sign the consent approving the Stock Settlement Issuance, serves as the notice required by Section 228(e) of the DGCL.

No Appraisal Rights

The DGCL does not provide appraisal rights to our stockholders in connection with the matters discussed in this Information Statement.

FORWARD-LOOKING STATEMENTS

This Information Statement contains forward-looking statements within the meaning of the “safe harbor” provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements are not historical facts or statements of current conditions, but instead represent only the Company’s beliefs regarding future events, many of which, by their nature, are inherently uncertain and outside of the Company’s control. These statements include, but are not limited to, statements related to the Stock Settlement Issuance and related transactions, including the Company’s ability to complete such transactions on commercially acceptable terms, on the timeline contemplated or at all, and the Company’s ability to realize the intended benefits of such transactions. The Company cautions readers not to place undue reliance upon any forward-looking statements, which are current only as of the date of this Information Statement. The Company does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in its expectations or any change in events, conditions, or circumstances on which any such statement is based, except as required by law. All subsequent written and oral forward-looking statements concerning the Company or other matters and attributable to the Company or any person acting on its behalf are expressly qualified in their entirety by the cautionary statements set forth in this paragraph. QUESTIONS AND ANSWERS

What is the Purpose of this Information Statement?

This Information Statement is being furnished pursuant to Section 14(c) of the Exchange Act in connection with the action by written consent of the Consenting Stockholders taken without a meeting, approving the Stock Settlement Issuance, as described in this Information Statement. This Information Statement also constitutes the notice required to be given pursuant to Section 228(e) of the DGCL to all stockholders of record as of the Record Date (other than the Consenting Stockholders) of the action taken by written consent. This Information Statement will be first sent or given to our stockholders as of the Record Date on or about _____, 2024.

We are providing this Information Statement to you for your information to comply with the requirements of the Exchange Act and the DGCL. You are urged to read this Information Statement carefully in its entirety; however, no action is required on your part in connection with this Information Statement.

What action was taken by written consent?

On June 24, 2024, the Consenting Stockholders, upon recommendation of the Board, executed and delivered a written consent to approve the Stock Settlement Issuance.

Table of Contents

The authorization of the Stock Settlement Issuance will become effective, for purposes of Regulation 14C under the Exchange Act, as early as the 20th day after the mailing of this Information Statement to the Company's stockholders as of the Record Date who did not execute the written consent approving the Stock Settlement Issuance. Notwithstanding receipt of the aforementioned stockholder approval, the Board retains discretion to consummate the Transactions.

Why was action taken?

Our Board and the Consenting Stockholders have approved the Stock Settlement Issuance. The Board evaluated the Stock Settlement Issuance in the context of the Transactions as a whole. The Board considered a number of factors in determining how to best structure the Transactions to optimally manage its liquidity, implement its business plans and generate value for its stockholders and ultimately determined that the potential benefits of the Stock Settlement Issuance, in the context of the Transactions as a whole, outweighed any countervailing considerations.

Notwithstanding receipt of the aforementioned stockholder approval, the Board retains discretion to consummate the Transactions related to the Stock Settlement Issuance. See "Description of the Transactions and Exchangeable Notes."

Section 228 of the DGCL provides that, except as otherwise restricted by the certificate of incorporation, any action that is required or permitted to be taken at a meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the corporation in the manner required by the DGCL. Our Amended and Restated Certificate of Incorporation (as amended) does not restrict or eliminate our stockholders' right to act by consent in lieu of a meeting to approve the Stock Settlement Issuance. In order to significantly reduce the costs and management time involved in soliciting and obtaining proxies to approve the Stock Settlement Issuance and in order to timely effectuate the related transactions, the Board elected to utilize, and did in fact obtain, the written consent of the holders of greater than a majority of the voting power of the Company. Accordingly, under the DGCL, no other approval by the Board or stockholders is required in respect of the Stock Settlement Issuance.

How many shares of our stock were outstanding on the Record Date?

On the Record Date, June 24, 2024, which is also the date we received the consent of the Consenting Stockholders, the following shares were outstanding: 99,181,939 vested shares of our Class A Common Stock, 4,258,500 unvested shares of our Class A Common Stock and 15 shares of our Class B Common Stock, par value \$0.0001 per share ("Class B Common Stock" and, together with the Class A Common Stock, our "capital stock"). The Record Date preceded the Company's 10:1 reverse stock split in respect of its shares of Class A Common Stock. The number of outstanding shares of Class A Common Stock reflected in this paragraph as of the Record Date does not reflect the 10:1 reverse stock split. The number of outstanding shares of Class A Common Stock as of the date of this Information Statement reflects the 10:1 reverse stock split.

What vote was obtained to approve the Stock Settlement Issuance?

We obtained the approval of the Consenting Stockholders, who collectively represent approximately 69.8% of the voting power of our outstanding shares of capital stock as of the Record Date. Under the DGCL, our Amended and Restated Certificate of Incorporation (as amended) and our Amended and Restated Bylaws, the affirmative vote of the holders of at least a majority of the voting power of the outstanding shares of capital stock of the Company entitled to vote constitutes the vote required to adopt, by consent of stockholders in lieu of a meeting, the Stock Settlement Issuance.

Table of Contents

Holders of our Class A Common Stock are entitled to one vote for each share held as of any record date for determining stockholders entitled to vote or act by consent. Holders of shares of Class B Common Stock have no economic rights, but are entitled, as holders of Class B Common Stock as of any record date for determining stockholders entitled to vote or act by consent, without regard to the number of shares of Class B Common Stock they hold, to a number of votes that is equal to the aggregate number of limited liability company interests (“FOA Units”) in Finance of America Equity Capital LLC, a Delaware limited liability company (“FOA Equity”), that the Company controls in an “UP-C” structure, held by such holders. Holders of shares of Class B Common Stock vote together with holders of Class A Common Stock as a single class on all matters on which stockholders are entitled to vote generally, except as otherwise required by law. As of the Record Date, FOA Equity unitholders held 131,859,616 FOA Units that were exchangeable for 131,859,616 shares of Class A Common Stock (which amounts do not reflect the FOA Equity 10:1 reverse split of FOA Units to parallel the Company’s reverse stock split (effective as of 5:00 p.m. (Eastern Time) on July 25, 2024) that occurred subsequent to the Record Date).

Our Consenting Stockholders consisted of certain funds affiliated with Blackstone Inc., Brian L. Libman, the Chairman of our Board, and an entity controlled by Mr. Libman.

Who is entitled to notice?

Each holder of an outstanding share of Class A Common Stock and/or Class B Common Stock as of the Record Date, other than the Consenting Stockholders, is entitled to notice of the action taken by consent in lieu of a meeting of stockholders as required by Section 228(e) of the DGCL.

How were the Consenting Stockholders entitled to vote determined?

In order to determine the stockholders entitled to consent to corporate action in writing without a meeting, the Board fixed the Record Date as the close of business on June 24, 2024.

Who is paying the cost of this Information Statement?

We will pay for preparing, printing and distributing this Information Statement. We will require brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of our Class A Common Stock and Class B Common Stock held by them and we will reimburse such persons for out-of-pocket expenses incurred in forwarding such materials.

Will the exchange of the Exchangeable Notes be dilutive to existing stockholders?

The exchange of the Exchangeable Notes will be dilutive to existing holders of our Capital Stock. See “Description of the Transactions and Exchangeable Notes—Effect of the Transactions upon Rights of Existing Stockholders.”

DESCRIPTION OF THE TRANSACTIONS AND EXCHANGEABLE NOTES

On June 24, 2024, certain of the direct and indirect subsidiaries of the Company, including FOA Funding, FOA Equity, Finance of America Holdings LLC, Incenter LLC, Finance of America Mortgage LLC, Finance of America Reverse LLC and MM Risk Retention LLC (together, the “FOA Parties”), and certain holders of FOA Funding’s 7.875% Senior Notes due 2025 (the “2025 Unsecured Notes”) (or their investment advisors, sub-advisors or managers) (the “Initial Consenting Noteholders”) and, together with any subsequent holder or beneficial holder of 2025 Unsecured Notes that becomes a party to the Exchange Offer Support Agreement by joinder, the “Consenting Noteholders,” and the Consenting Noteholders together with the FOA Parties, the “ESA Parties”), entered into an agreement (together with all exhibits, annexes and schedules thereto, the “Exchange Offer Support Agreement”) pursuant to which, among other things and subject to the terms and conditions set forth therein:

The ESA Parties have agreed to the terms of, and to support, the transactions described below (together, the “Transactions”):

- the exchange offer (the “Exchange Offer”) for any and all of FOA Funding’s \$350.0 million in aggregate principal amount of 2025 Unsecured Notes for (i) up to \$200.0 million aggregate principal amount of 7.875% Senior Secured Notes due 2026 (subject to the interest rate increase to 8.875% per annum from the first anniversary of the issuance date thereof until maturity and to 9.875% per annum during any FOA Funding elected extension period to November 30, 2027, the “New Senior Secured Notes”), (ii) up to \$150.0 million aggregate principal amount of 10.000% Exchangeable Senior Secured Notes due 2029 (the “Exchangeable Notes” and, together with the New Senior Secured Notes, the “New Secured Notes”), for each of clauses (i) and (ii), on a ratable basis per \$1,000 principal amount of 2025 Unsecured Notes exchanged and subject to ratable reduction on a dollar for dollar basis based on the aggregate principal amount of 2025 Unsecured Notes that do not participate in the Exchange Offer, if any, and (iii) a cash fee payable to holders of the 2025 Unsecured Notes that participate in the Exchange Offer equal to 0.25% of the principal amount of the 2025 Unsecured Notes tendered; and
- a related consent solicitation (the “Consent Solicitation”) to eliminate substantially all of the covenants and events of default and other provisions contained in the 2025 Unsecured Notes and the indenture governing the 2025 Unsecured Notes.

The ESA Parties have also agreed to:

- support the Transactions within the timeframes and subject to the conditions outlined in the Exchange Offer Support Agreement;
- not, directly or indirectly, object to, delay, impede or take (or cause any other person or entity to take) any action (or refrain from taking any action) to delay or interfere with, the implementation of the Transactions;
- use commercially reasonable efforts to take or cause to be taken (including affiliates in certain instances) all actions reasonably necessary to support and achieve the consummation of the Transactions, including, in the case of the Consenting Noteholders, tendering (and not revoking) their 2025 Unsecured Notes in the Exchange Offer and consenting (and not revoking) to the amendments of the Consent Solicitation, and in the case of the FOA Parties, obtaining additional support for the Exchange Offer and Consent Solicitation;
- negotiate, implement and execute the definitive documents for the Transactions in good faith; and
- not sell, pledge or otherwise transfer any 2025 Unsecured Notes unless the transferee is a Consenting Noteholder or agrees to be bound by and becomes a party to the Exchange Offer Support Agreement.

Table of Contents

Additionally, the FOA Parties have agreed to:

- pay and reimburse the reasonable and documented Consenting Noteholders' counsel fees and expenses in connection with the Transactions; and
- use commercially reasonable efforts to obtain any regulatory and/or third party approvals necessary to consummate the Transactions.

The Exchange Offer Support Agreement may be terminated (i) by the FOA Parties or by the Consenting Noteholders that hold, in the aggregate, at least 50.1% of outstanding principal amount of 2025 Unsecured Notes held by all Consenting Noteholders, which must include the affirmative consent of each of the Initial Consenting Noteholders (the "Required Consenting Noteholders"), if, among other circumstances, (A) the Exchange Offer and Consent Solicitation are not consummated by the "Outside Date," (B) any governmental authority issues any final non-appealable ruling or order making illegal or otherwise enjoining, preventing or prohibiting the consummation of the Exchange Offer or any material portion of the Consent Solicitation or (C) the FOA Parties or the Consenting Noteholders materially breach the Exchange Offer Support Agreement, which breach remains uncured in accordance with the terms of the Exchange Offer Support Agreement, and (ii) by the Required Consenting Noteholders, if, among other circumstances, (A) any definitive document is inconsistent in any material respect with the terms and conditions of the Exchange Offer Support Agreement, which has not been reversed or cured by the FOA Parties within one business day after notice thereof, (B) any event of default under the indenture governing the 2025 Unsecured Notes occurs and is not subject to forbearance or waiver and is not otherwise cured or (C) if the Libman Parties (as defined in the indenture governing the 2025 Unsecured Notes) do not participate and exchange all of the 2025 Unsecured Notes held by them on the same terms as the Consenting Noteholders.

The Exchange Offer Support Agreement also contains certain customary representations, warranties and other agreements by the parties thereto.

On September 17, 2024, the FOA Parties and Initial Consenting Noteholders entered into a first amendment (the "ESA Amendment") to the Exchange Offer Support Agreement, which modified the Exchange Offer Support Agreement to: (i) provide that the New Secured Notes will be secured on a second lien basis to the FOA Parties' previously disclosed Revolving Working Capital Promissory Notes (the "Working Capital Notes") until such time as the Working Capital Notes, as amended from time to time, are repaid in full, and thereafter, the New Secured Notes will be secured on a first lien basis and (ii) extend the Outside Date to October 31, 2024. The other terms of the Exchange Offer Support Agreement remain unchanged.

The foregoing is a summary of the material terms of, and is qualified by, the Exchange Offer Support Agreement, the ESA Amendment and the term sheets annexed thereto (related to the terms of the Transactions and New Secured Notes), copies of which are attached hereto as Annex A and incorporated by reference herein.

On September 17, 2024, the Company announced the commencement of the Transactions. The Transactions will expire at 5:00 P.M., New York City time, on October 25, 2024, unless extended by FOA Funding in its sole discretion. The closing of the Transactions is conditioned on the satisfaction or waiver of certain conditions precedent. The Transactions may not be completed as contemplated or at all.

Holders representing at least 94% of the aggregate outstanding principal amount of the 2025 Unsecured Notes have agreed pursuant to the terms of the Exchange Offer Support Agreement (as amended by the ESA Amendment), or otherwise communicated their intent to participate in the Exchange Offer and deliver their consents in the Consent Solicitation.

The information contained herein is for informational purposes only. This Information Statement does not constitute an offer to sell, or a solicitation of an offer to buy, any securities, or the solicitation of a proxy.

Effect of the Transactions upon Rights of Existing Stockholders

With respect to the rights of our existing stockholders, the Transactions will have the principal effect of potentially diluting their current percentage ownership in the Company to the extent that Exchangeable Notes are exchanged for shares of the Company's Class A Common Stock, which may cause prevailing market prices for our Class A Common Stock to decline. Based on 23,104,154 outstanding shares of our Class A common stock outstanding as of the Record Date (which includes 9,918,193 outstanding shares of vested Class A Common Stock and 13,185,961 shares of Class A Common Stock issuable upon exchange of an equal number of outstanding FOA Units, and giving retroactive effect to the Company's 10:1 reverse stock split), the issuance of 5,454,546 shares of Class A Common Stock upon exchange of the Exchangeable Notes would result in dilution to our existing stockholders of approximately 19.1%. Furthermore, as of June 30, 2024, we had total equity of approximately \$251.3 million and approximately 23.1 million shares of Class A Common Stock outstanding (on a fully exchanged basis giving effect to the exchange of outstanding FOA Units for Class A Common Stock on a one-for-one basis), implying a book value per share of \$10.88. As of June 30, 2024, on an as adjusted basis to give effect to the issuance of 5,454,546 shares of Class A common stock upon exchange of \$150.0 million aggregate principal amount of the Exchangeable Notes, our as adjusted total equity would be \$401.3 million and our as adjusted book value per share of Class A Common Stock would be \$14.05 per share, representing an increase of \$3.17 per share on an as adjusted basis.

Additionally, in connection with the Transactions, the Company and FOA Funding expect to execute a registration rights agreement to register the resale of shares of Class A Common Stock received upon exchange of the Exchangeable Notes by noteholders who elect to conduct an exchange. The resale of significant amounts of such shares pursuant to a registration statement or an exemption from registration, could materially and adversely affect the market price of our Class A Common Stock.

Our stockholders have no preemptive rights to acquire any shares issued by us in connection with the Transactions. For additional details about the Company's Class A Common Stock, see the description of the Company's capital stock, contained in Exhibit 4.4 to the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2021, filed with the SEC.

Interests of Directors and Executive Officers

Certain affiliates of Brian L. Libman, the Chairman of our Board, collectively hold approximately 22.1% of the aggregate principal amount of the outstanding 2025 Unsecured Notes and have notified the Company that they intend to tender their 2025 Unsecured Notes and participate in the Transactions. Accordingly, such affiliated entities may acquire additional shares of Class A Common Stock as a result of exchanging any Exchangeable Notes that they may receive in the Transactions.

No other person who has served as a director or executive officer since the beginning of the Company's last fiscal year, and no associate of any such person, has any substantial interests, directly or indirectly, in the Stock Settlement Issuance, except to the extent of their ownership in shares of our Class A Common Stock and securities exchangeable or exercisable for our Class A Common Stock, which shares and securities would be subject to the same treatment as all other outstanding shares of our Class A Common Stock and securities exchangeable into or exercisable for our Class A Common Stock.

STOCKHOLDER APPROVAL OF ISSUANCE OF SECURITIES FOR NYSE PURPOSES

In order to comply with Section 312.03 of the New York Stock Exchange (NYSE) Listed Company Manual relating to stockholder approval of certain issuances of a listed company's common stock, prior to the execution of the Exchange Offer Support Agreement, we obtained the approval of the Consenting Stockholders, who collectively represent approximately 69.8% of the voting power of our outstanding shares of capital stock as of the Record Date.

Table of Contents

The NYSE rules require stockholder approval because the Stock Settlement Issuance involves: (i) an unregistered exchange of securities for new securities that are exchangeable for more than 20% of the Company's outstanding shares of Class A Common Stock and voting power prior to issuance and (ii) the potential exchange of securities by a related party (affiliated entities of Mr. Libman) for new securities that are exchangeable for more than 1% of the Company's Class A Common Stock and voting power prior to issuance. Typically, the required vote under the rules of the NYSE is the approval by a majority of votes cast on a proposal in a proxy bearing on the relevant matter, with votes cast calculated in accordance with a Company's governing documents and any applicable state law. Because the required stockholder approval was obtained by use of written consent in lieu of a stockholders meeting, the required vote was the written consent of the holders of a majority of the shares entitled to vote as of the Record Date. Under the DGCL, our Amended and Restated Certificate of Incorporation (as amended) and our Amended and Restated Bylaws, the affirmative vote of the holders of at least a majority of the voting power of the outstanding shares of capital stock of the Company entitled to vote as of the Record Date constitutes the vote required to approve the Stock Settlement Issuance, by consent of stockholders in lieu of a meeting. The written consent of the Consenting Stockholders was sufficient to approve the Stock Settlement Issuance under the continued listing requirements of the NYSE and therefore, no proxies or additional consents are being solicited by us.

**SECURITY OWNERSHIP OF PRINCIPAL STOCKHOLDERS AND
DIRECTORS AND EXECUTIVE OFFICERS**

The following table sets forth information regarding the beneficial ownership of shares of the Company's Class A Common Stock as of September 15, 2024 by:

- each person known to the Company to be the beneficial owner of more than 5% of the shares of any class of the Company's common stock;
- each named executive officer or director of the Company; and
- all officers and directors of the Company as a group.

Beneficial ownership is determined according to the rules of the SEC, which generally provide that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power over that security, including options and warrants that are currently exercisable or exercisable within 60 days.

The beneficial ownership as of September 15, 2024 is based on 9,925,802 vested shares of Class A Common Stock outstanding and 15 shares of Class B Common Stock outstanding. The shares of Class B Common Stock have no economic rights, but entitle each holder, without regard to the number of shares of Class B Common Stock held by such holder, to a number of votes that is equal to the aggregate number of FOA Units held by such holder on all matters on which stockholders of the Company are entitled to vote generally. Holders of shares of Class B Common Stock vote together with holders of Class A Common Stock as a single class on all matters on which stockholders are entitled to vote generally, except as otherwise required by law.

The beneficial ownership information below excludes 425,850 unvested shares of Class A Common Stock held by Replay Sponsor, LLC, which are subject to vesting and forfeiture and will not be entitled to receive any dividends or other distributions, or to have any other economic rights until such shares are vested, and such shares will not be entitled to receive back dividends or other distributions or any other form of economic "catch-up" once they become vested. Additionally, for so long as they remain unvested, such shares must be voted proportionately with all other shares of Class A Common Stock and Class B Common Stock on all matters put to a vote of holders of the Company's voting stock (i.e., holders of unvested shares will have no discretion in how such shares are voted).

Such Consenting Noteholder is either (1) a qualified institutional buyer as defined in Rule 144A of the Securities Act of 1933, as amended (the “Securities Act”) or (2) a non-U.S. person under Regulation S under the Securities Act, and (ii) has acquired any securities of the Companies in connection with the Exchange Offer for investment and not with a view to distribution or resale in violation of the Securities Act.

Section 7. Termination of Obligations by Consenting Noteholders. Upon the occurrence of a Consenting Noteholder Termination Event (as defined below), this Agreement may be terminated by, and such termination shall be effective upon, delivery of a written notice (which may be by email) from the Consenting Noteholders that hold, in the aggregate, at least 50.1% of outstanding principal amount of 2025 Unsecured Notes held by all Consenting Noteholders, which must include the affirmative consent of each of Brigade Capital Management LP, Anchorage Capital Advisors, L.P., and Beach Point Capital Management LP (collectively, the “Required Consenting Noteholders”) in accordance with Section 18 below to the other Parties and the obligations of each of the Parties hereunder shall thereupon terminate and be of no further force or effect with respect to each Party; *provided* that for purposes of determining whether the Required Consenting Noteholder conditions have been satisfied, any Consenting Noteholder whose own actions give rise to the relevant breach shall not be included or required for such purposes. “Consenting Noteholder Termination Event” means:

(a) if any of the Companies breaches in any material respect any of its obligations, representations, warranties, or covenants contained in this Agreement, which breach remains uncured for a period of three (3) business days from the date such breaching Company or Companies, as applicable, receives a written notice of such breach from the Required Consenting Noteholders;

(c) the Exchange Offer and Consent Solicitation shall not have been consummated on or before September 30, 2024 (the “Outside Date”);

forth in this Agreement, in each case, which has not been reversed or cured within one (1) business day after the Companies receive written notice from the Consenting Noteholders;

(e) the Companies shall have failed to timely pay the Consenting Noteholder Counsel Fees and Expenses;

(f) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling or order making illegal or otherwise enjoining, preventing, or prohibiting the consummation of the Exchange Offer or any material portion of the Consent Solicitation;

(g) the occurrence of any Event of Default under the Unsecured Notes Indenture that is not subject to forbearance or waiver or that is not otherwise cured prior to the termination of this Agreement;

(h) any of the Companies initiate or commence voluntary cases under the United States Bankruptcy Code or any other insolvency proceeding (whether in the United States or otherwise) or an order for relief is entered in connection with any involuntary proceeding filed against any of the Companies;

(i) if, (x) no later than five business days prior to the deadline for holders of 2025 Unsecured Notes to provide their consent to participate in the Exchange Offer and Consent Solicitation (the "Consent Deadline"), the Libman Parties (as defined in the Unsecured Notes Indenture) have not submitted an affirmative consent to participate and exchange all of the 2025 Unsecured Notes held by the Libman Parties as of the date hereof (which for purposes of this agreement shall be no less than the amount specified by the Company in email to the Consenting Noteholder Counsel on June 24, 2024) pursuant to the Exchange Offer and Consent Solicitation on the same terms as the Consenting Noteholders or (y), within five business days of the Consent Deadline, any of the Libman Parties revoke their consent or otherwise withdraw any portion of their 2025 Unsecured Notes from participation in the Exchange Offer and Consent Solicitation; and

(j) any of the Companies shall have issued a notice purporting to terminate this Agreement pursuant to Section 8.

At any time after a Termination Event has occurred, the Required Consent Noteholders may waive the occurrence of the Termination Event. No such waiver of a Termination Event shall affect any subsequent Termination Event or impair any right consequent thereon and such Consenting Noteholders shall have no liability to the other Parties or each other in respect of any termination of this Agreement in accordance with the terms hereof. Notwithstanding anything to the contrary herein, no Consenting Noteholder may terminate this Agreement pursuant to this Section 7 (or count towards the vote of the Required Consenting Noteholders needed to terminate this Agreement) if said terminating Consenting Noteholder (or Consenting Noteholders) failed to perform or comply in all material respects with the terms and conditions of this Agreement, with such failure to perform or comply causing, or resulting in, the occurrence of the Termination Event specified herein.

Section 8. Termination of Obligations by the Companies. Upon the occurrence of a Company Termination Event (as defined below), this Agreement may be terminated by delivery of a written notice in accordance with Section 18 below by the Companies (or either of them) to the other Parties and the obligations of each of the Parties hereunder shall thereupon terminate and be of no further force or effect with respect to each Party. "Company Termination Event" means:

(a) if any Consenting Noteholder breaches in any material respect any of their obligations, representations, warranties, or covenants contained in this Agreement, which breach remains uncured for a period of ten (10) business days from the date counsel to the Consenting Noteholders receives a written notice of such breach from the Companies;

(b) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling or order making illegal or otherwise enjoining, preventing, or prohibiting the consummation of the Exchange Offer or any material portion of the Consent Solicitation; or

(c) the Exchange Offer and Consent Solicitation shall not have been consummated on or before the Outside Date.

At any time after a Company Termination Event has occurred, the Companies (or either of them) in their sole discretion may waive the occurrence of the Company Termination Event. No such waiver shall affect any Consenting Noteholder's rights with respect to any Termination Event or the Companies' rights with respect to any subsequent Company Termination Event or impair any right consequent thereon and the Companies shall have no liability to the other Parties or each other in respect of any termination of this Agreement in accordance with the terms hereof. Notwithstanding anything to the contrary herein, no Company may terminate this Agreement pursuant to this Section 8 if any Company (or Companies) failed to perform or comply in all material respects with the terms and conditions of this Agreement, with such failure to perform or comply causing, or resulting in, the occurrence of the Termination Event specified herein.

Section 9. Automatic Termination. This Agreement shall automatically terminate without any further required action or notice upon the consummation of the Exchange Offer and Consent Solicitation and the obligations of each of the Parties hereunder shall thereupon terminate and be of no further force or effect with respect to each Party.

Section 10. Termination by Mutual Consent. This Agreement may be terminated at any time prior to the consummation of the Exchange Offer and Consent Solicitation by mutual written consent of the Companies and the Required Consenting Noteholders.

Section 11. Specific Performance. Each Party hereto recognizes and acknowledges that a breach by it of any covenants or agreements contained in this Agreement will cause the other Parties to sustain damages for which such Parties would not have an adequate remedy at law for money damages, and therefore each Party hereto agrees that in the event of any such breach the other Parties shall be entitled to the remedy of specific performance of such covenants and agreements and injunctive and other equitable relief in addition to any other remedy to which such Parties may be entitled, at law or in equity.

Section 12. Additional Notes. This Agreement shall in no way be construed to preclude the Consenting Noteholders or its Affiliates from acquiring additional 2025 Unsecured Notes ("Additional Notes"), *provided* however, that (i) if a Consenting Noteholder or its Affiliates acquires Additional Notes after executing this Agreement, the acquiring Consenting Noteholder or its Affiliate, as applicable, shall notify counsel to the Companies of such acquisition within two (2) business days after the closing of such trade, and (ii) any such Additional Notes shall automatically and immediately upon acquisition by a Consenting Noteholder or its Affiliates be deemed to be subject to all of the terms of this Agreement whether or not notice of such acquisition is given to the Companies; *provided further*, that any Additional Notes acquired by any Affiliate of a Consenting Noteholder acting in its capacity as a Qualified Marketmaker shall not be required to be subject to the terms hereof to the extent that such Affiliate disposes of such Additional Notes within (15) calendar days of acquisition thereof. Any Additional Notes held by an Affiliate that is a Qualified Marketmaker after (15) calendar days from the date of initial acquisition of such Additional Notes shall be automatically and immediately deemed subject to the terms of this Agreement.

Section 13. Cooperation and Support. The Parties shall cause each of their subsidiaries and controlled Affiliates to cooperate with each other in respect of all matters concerning the implementation and consummation of the transactions contemplated hereby. Furthermore, subject to the terms of this Agreement, each of the Parties shall cause each of their subsidiaries and Affiliates to take such action (including executing and delivering any other agreements and making and filing any required regulatory filings) as may be reasonably necessary to carry out the purposes and intent of this Agreement and shall refrain from taking any action that would frustrate the purposes and intent of this Agreement. Notwithstanding anything to the contrary in this Section 14, to the extent that any Consenting Noteholder lacks authority to bind its controlled Affiliates, this Section 14 shall not require such Consenting Noteholder to bind such controlled Affiliates; *provided* that such

Consenting Noteholder shall take all commercially reasonable steps reasonably requested by the Company Parties to attempt to secure the cooperation of any such Affiliates.

Section 14. Acknowledgement. Notwithstanding any other provision herein, this Agreement is not and shall not be deemed to be an offer with respect to any securities.

Section 15. Amendments. This Agreement may not be modified, amended or supplemented except in a writing signed by the Companies and the Initial Consenting Noteholders; provided, however, that any such modification, amendment or supplement that relates solely to a specific Consenting Noteholder and does not adversely affect any other Consenting Noteholder shall require only a writing signed by the Companies and such specific Consenting Noteholder.

Section 16. No Waiver. The failure of any Party hereto to exercise any right, power or remedy provided under this Agreement or otherwise available in respect hereof at law or in equity, or to insist upon compliance by any other Party hereto with its obligations hereunder, and any custom or practice of the Parties at variance with the terms hereof, shall not constitute a waiver by such Party of its right to exercise any such or other right, power or remedy or to demand such compliance.

Section 17. Governing Law: Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to such state's choice of law provisions which would require the application of the law of any other jurisdiction. By its execution and delivery of this Agreement, the Parties irrevocably and unconditionally agrees for itself that any legal action, suit or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit or proceeding, may be brought in the United States District Court for the Southern District of New York, located in the Borough of Manhattan, and by execution and delivery of this Agreement, each of the Parties irrevocably accepts and submits itself to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding. EACH PARTY HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 18. Notices. All demands, notices, requests, consents, and communications hereunder shall be in writing and shall be deemed given if delivered personally, transmitted by facsimile or e-mail (and confirmed), mailed by registered or certified mail with postage prepaid and return receipt requested, or sent by commercial overnight courier, courier fees prepaid (if available; otherwise, by the next best class of service available), to the parties at the following addresses, or such other addresses as may be furnished hereafter by notice in writing, to the following parties:

The Companies hereby agree to pay the reasonable and documented fees and expenses of Sidley Austin LLP as counsel to the Consenting Noteholders (“Consenting Noteholders’ Counsel” and, such fees and expenses, the “Consenting Noteholders’ Counsel Fees and Expenses”) in connection with this Agreement, the Exchange Offer, the Consent Solicitation and the transactions contemplated hereby and thereby in accordance with the terms of that certain fee letter dated as of April 16, 2024 among Sidley Austin LLP and FOA Equity Capital (the “Sidley Fee Letter”). For the avoidance of doubt, to the extent of any conflicts between the Sidley Fee Letter and this Section 19, the Sidley Fee Letter shall govern.

Section 20. Entire Agreement. This Agreement (together with the exhibits hereto) constitutes the entire understanding and agreement among the Parties with regard to the subject matter hereof, and supersedes all prior agreements with respect thereto other than any confidentiality agreement or non-disclosure agreement executed by any Consenting Noteholder on one hand and FOA Equity Capital on the other hand and the Sidley Fee Letter.

Section 21. Headings. The section headings of this Agreement are for convenience of reference only and shall not, for any purpose, be deemed a part of this Agreement.

Section 22. Successors and Assigns. This Agreement is intended to bind and inure to the benefit of each of the Parties and their respective successors, assigns, heirs, executors, administrators and representatives.

Section 23. Several, Not Joint, Obligations. The agreements, representations and obligations of the Parties (including, for the avoidance of doubt, each Consenting Noteholder) under this Agreement are, in all respects, several and not joint.

Section 24. Remedies Cumulative. All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise of any right, power or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power or remedy by such Party.

Section 25. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall constitute one and the same Agreement. Delivery of an executed signature page of this Agreement by email shall be effective as delivery of a manually executed signature page of this Agreement. import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

Section 26. No Third-Party Beneficiaries. This Agreement shall be solely for the benefit of the Parties hereto, and no other person or entity shall be a third party beneficiary hereof.

Section 27. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 28. Additional Parties. Without in any way limiting the provisions hereof, additional holders of 2025 Unsecured Notes may elect to become Parties by executing and delivering to the Companies an executed Joinder Agreement. Such additional holders shall become a party to this Agreement as a Consenting Noteholder in accordance with the terms of this Agreement.

Section 29. Public Disclosure. Each of the Consenting Noteholders hereby consents to the disclosure of this Agreement by the Companies or the Companies' direct or indirect parent entity, Finance of America Companies Inc. ("Parent") and consents to the inclusion of such disclosure in any filings by the Companies or Parent with the Securities and Exchange Commission (the "SEC") or as required by law or regulation; *provided* that it is expressly understood by the Parties that none of the Consenting Noteholders consent to any disclosure of their individual holdings of the 2025 Unsecured Notes and the Companies hereby agree to keep such information confidential, unless such disclosure is required by applicable law or regulations of any applicable stock exchange or governmental authority (each, an "Authority"), in which case, the Companies shall (x) provide each of the Consenting Noteholders with advance notice of the intent to disclose and provide such Consenting Noteholders with the reasonable opportunity to review and comment on the proposed disclosure to be provided by the Companies (if permitted by the applicable Authority), (y) only disclose such information as is required to be disclosed by the applicable Authority and (z) to the extent this Agreement will be filed publicly with the SEC by the Companies, the Companies shall either (i) file with the SEC a form of this Agreement that does not include the individual holdings of the Consenting Noteholders in lieu of filing an executed version or (ii) use commercially reasonable efforts to obtain confidential treatment with respect to the individual holdings of the Consenting Noteholders included in this Agreement at or prior to filing the executed version of this Agreement with the SEC. The Companies shall provide drafts of any press release announcing any transaction related to the Exchange Offer and Consent Solicitation to the Consenting Noteholders' Counsel at least one (1) calendar day prior to the issuance of any such press release.

Section 30. Email Consents. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, including a written approval by the Companies or the Required Consenting Noteholders, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

(a) Relationship Among Parties.

(1) Notwithstanding anything to the contrary herein, the duties and obligations of the Consenting Noteholders under this Agreement shall be several, and neither joint nor joint and several. None of the Consenting Noteholders shall have by virtue of this Agreement any fiduciary duty or any other duty of trust or confidence in any form to each other, any Consenting Noteholder, any Company or Affiliate thereof, or any of

the Companies' or their respective affiliates' creditors or other stakeholders. None of the Consenting Noteholders shall have by virtue of this Agreement any duties or responsibilities to each other, any Consenting Noteholder, any Company or Affiliate thereof, or any of the Companies' or their respective affiliates' creditors or other stakeholders, and there are no commitments among or between the Consenting Noteholders, except as expressly set forth in this Agreement. It is understood and agreed that any Consenting Noteholder may trade in any debt or equity securities of any Companies without the consent of the Companies or any other Consenting Noteholder, subject to applicable securities laws, the terms of any non-disclosure agreement with the Companies, the terms of this Agreement, and the terms of the Definitive Documents. No prior history, pattern or practice of sharing confidences among or between any of the Consenting Noteholders, and/or the Companies shall in any way affect or negate this understanding and agreement. The Parties acknowledge that this Agreement does not constitute an agreement, arrangement, or understanding with respect to acting together for the purpose of acquiring, holding, voting, or disposing of any securities of any of the Companies and shall not be deemed, as a result of its entering into and performing its obligations under this Agreement, to constitute a "group" within the meaning of Section 13(d)(3) of the Exchange Act or Rule 13d-5 promulgated thereunder. For the avoidance of doubt: (1) each Consenting Noteholder is entering into this Agreement directly with the Companies and not with any other Consenting Noteholder, (2) no other Consenting Noteholder shall have any right to bring any action against any other Consenting Noteholder with respect to this Agreement (or any breach thereof), other than in accordance with this Agreement, and (3) no Consenting Noteholder shall, nor shall any action taken by a Consenting Noteholder pursuant to this Agreement, be deemed to be acting in concert or as any group with any other Consenting Noteholder with respect to the obligations under this Agreement, nor shall this Agreement create a presumption that the Consenting Noteholders are in any way acting as a group. All rights under this Agreement are separately granted to each Consenting Noteholders by the Companies and vice versa, and the use of a single document is for the convenience of the Parties. Each Party's decision to commit to enter into the transactions contemplated by this Agreement has been made independently and is based upon its own business judgment.

(2) The Companies understand that the Consenting Noteholders are engaged in a wide range of financial services and businesses, and, in furtherance of the foregoing, the Companies acknowledge and agree that, subject to the express terms hereof, the obligations set forth in this Agreement shall only apply to the trading desk(s) and/or business group(s) of the Consenting Noteholders that principally manage and/or supervise the Consenting Noteholders' investment in the Companies, and shall not apply to any other trading desk or business group of the Consenting Noteholders so long as they are not acting at the direction or for the benefit of such Consenting Noteholders and so long as confidentiality is maintained consistent with any applicable confidentiality agreement.

Section 31. Releases by the Companies of the Consenting Noteholders

(a) Definitions.

(1) "Company Releasing Parties" means each of the Companies, and, to the maximum extent permitted by law, each of the Companies on behalf of their respective controlled Affiliates.

(2) "Released Parties" means the Consenting Noteholders and each of their respective Affiliates and Related Parties; *provided, however*, that under no circumstance shall any Libman Party be a Released Party pursuant to this Agreement.

(3) "Released Claims" means any claims or rights of the Companies released pursuant to this Section 31.

(4) "Related Party" means each of, and in each case in its capacity as such, current and former directors, managers, officers, committee members, members of any governing body, equity holders (regardless of whether such interests are held directly or indirectly), affiliated investment funds or investment vehicles, managed accounts or funds, predecessors, participants, successors, assigns, subsidiaries, Affiliates, partners,

limited partners, general partners, principals, members, management companies, fund advisors or managers, employees, agents, trustees, advisory board members, financial advisors, attorneys (including any other attorneys or professionals retained by any current or former director or manager in his or her capacity as director or manager of an entity), accountants, investment bankers, consultants, representatives, and other professionals and advisors and any such person's or entity's respective heirs, executors, estates, and nominees.

(b) Releases by the Companies. Except as expressly set forth in this Agreement, effective on the date that the Exchange Offer is consummated, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is hereby deemed released and discharged by each and all of the Company Releasing Parties, in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other entities, including any Related Parties of the Company Releasing Parties, who may purport to assert any cause of action, directly or derivatively, by, through, for, or because of the foregoing entities, from any and all causes of action, whether known or unknown, including any derivative claims, asserted or assertable on behalf of any of the Company Releasing Parties would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any claim against, or interest in, a Company Releasing Parties, based on or relating to, or in any manner arising from, in whole or in part, the Companies (including the management, ownership, or operation thereof), the purchase, sale, or rescission of any security of the Companies, the subject matter of, or the transactions or events giving rise to, any claim or interest against the Companies, the business or contractual arrangements between any Company and any Released Party, the Companies' and Consenting Noteholders' efforts with respect to the Exchange Offer and Consent Solicitation, this Agreement, the Definitive Documents, or any transaction, contract, instrument, release, or other agreement or document created or entered into in connection with this Agreement, the Definitive Documents, including the issuance or distribution of the New Securities, or any other related agreement, or upon any other act, or omission, transaction, agreement, event, or other occurrence taking place on or before the Settlement Date.

(c) No Additional Representations and Warranties. Each of the Parties agrees and acknowledges that, except as expressly provided in this Agreement and the Definitive Documents, no other Party, in any capacity, has warranted or otherwise made any representations concerning any Released Claim (including any representation or warranty concerning the existence, nonexistence, validity, or invalidity of any Released Claim). Notwithstanding the foregoing, nothing contained in this Agreement is intended to impair or otherwise derogate from any of the representations, warranties, or covenants expressly set forth in this Agreement or any of the Definitive Documents.

(d) Releases of Unknown Claims. Each of the Company Releasing Parties expressly acknowledges that in some circumstances a general release may not extend to Released Claims which the Releasing Party does not know or suspect to exist in its favor, which if known by it may have materially affected its settlement with the party released, they have carefully considered and taken into account in determining to enter into the above releases the possible existence of such unknown losses or claims. Without limiting the generality of the foregoing, each Company Releasing Party expressly waives and relinquishes any and all rights such Company Releasing Party may have or conferred upon it under any federal, state, or local statute, rule, regulation, or principle of common law or equity which provides that a release does not extend to claims which the claimant does not know or suspect to exist in its favor at the time of providing the release or which may in any way limit the effect or scope of the releases with respect to Released Claims which such Company Releasing Party did not know or suspect to exist in such Company Releasing Party's favor at the time of providing the release, which in each case if known by it may have materially affected its settlement with any Released Party. Each of the Company Releasing Parties expressly acknowledges that the releases and covenants not to sue contained in this Agreement are effective regardless of whether those released matters or Released Claims are presently known or unknown, suspected or unsuspected, or foreseen or unforeseen.

(e) Turnover of Subsequently Recovered Assets. In the event that any Company Releasing Party (including any successor or assignee thereof and including through any third party, trustee, debtor in possession,

[Table of Contents](#)

creditor, estate, creditors' committee, or similar entity) is successful in pursuing or receives, directly or indirectly, any funds, property, or other value on account of any claim, cause of action, or litigation against any Released Party that was released pursuant to the above releases (or would have been released pursuant to the release if the party bringing such claim were a releasing Party), such Company Releasing Party (i) shall not commingle any such recovery with any of its other assets and (ii) agrees that it shall promptly turnover and assign any such recoveries to, and hold them in trust for, such Released Party.

(f) Covenant Not to Sue. Each of the Company Releasing Parties hereby further agrees and covenants not to, and shall not, commence or prosecute, or assist or otherwise aid any other entity in the commencement or prosecution of, whether directly, derivatively or otherwise, any Released Claims.

(g) Notwithstanding anything to the contrary in this Agreement, this section (Releases by the Companies of the Consenting Noteholders) shall become effective only upon the Settlement Date and shall be void if this Agreement is validly terminated prior to the Settlement Date.

(h) For the avoidance of doubt, notwithstanding the consummation of the Exchange Offer and Consent Solicitation, each Consenting Noteholder shall retain any other rights or claims arising in law or equity (other than the contractual obligations expressly set forth in the 2025 Unsecured Notes), including any claims for breach of fiduciary duty, fraudulent transfer, veil piercing or any other alter ego theory based claims, or derivative claims. The Company Parties covenant not to assert to the contrary. This Section 31(h) shall survive the termination of this Agreement.

Section 32. Interpretation. This Agreement is the product of negotiations among the Parties, and the enforcement or interpretation of this Agreement is to be interpreted in a neutral manner; and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement or any portion of this Agreement, shall not be effective in regard to the interpretation of this Agreement.

From and after the Working Capital Security Release, the Notes shall be secured by a first priority lien on the Permanent Collateral, subject to permitted liens. Each of the foregoing security interests with respect to the Notes shall be subject to a *pari passu* priority lien on the Collateral for the benefit of up to \$150 million principal amount of the New Exchangeable Notes.

Disposition of Collateral

The Issuer may directly or indirectly (and, so long as no event of default has occurred and is continuing, without the consent of the holders of the Notes) (i) sell, dispose or otherwise transfer any “call rights” with respect to Pledged Risk Retention Instruments and/or any Pledged Risk Retention Instruments and/or (ii) exercise “call rights” with respect to any Pledged Risk Retention Instruments

Prior to any application as required pursuant to the foregoing clauses (w) through (z), cash and cash equivalent proceeds of such Collateral shall be credited to a deposit account or securities account (and subject to a springing account control agreement) subject to a first priority lien in favor of the Administrative Agent for the Working Capital Notes and a second priority lien in favor of the Collateral Trustee (as defined below), that upon the Working Capital Security Release such account shall be subject to only a first priority lien in favor of the Collateral Trustee.

Upon a MSR Monetization Transaction, the gross proceeds received in cash and cash equivalents by FOA Equity Capital or any subsidiary from such MSR Monetization Transaction after payment of any expenses or senior indebtedness required by the applicable agreements relating thereto (the “MSR Net Proceeds”) shall be used: first, to permanently paydown the Working Capital Notes, in accordance with the terms thereof, and second, to the extent any Net Cash Proceeds have been used in accordance with clause (w) of the foregoing paragraph (such amount of Net Cash Proceeds used, the “Working Capital Notes Payments Amount”), MSR Net Proceeds equal to the lesser of (i) the Working Capital Notes Payments Amount and (ii) remaining available MSR Net Proceeds, shall be treated as if they constitute Net Cash Proceeds and be used in accordance with clauses (v), (x), (y) and (z) of the foregoing paragraph.

“MSR Monetization Transaction” means, with respect to any mortgage servicing rights owned by FoA Reverse relating to its home equity conversion mortgages which have been pooled into securities guaranteed by Ginnie Mae (the “Ginnie Mae HMSR”) owned by FOA Equity Capital or any restricted subsidiary, whether originated or acquired by FOA Equity Capital or such restricted subsidiary, any transaction relating to the sale or financing of such Ginnie Mae HMSR that results in FOA Equity Capital or any restricted subsidiary receiving any cash proceeds from such transaction, including (i) the sale, conveyance or

Cash Management and Debt Service Reserve

other disposition of any Ginnie Mae HMSR and (ii) any debt financing secured in whole or in part by any Ginnie Mae HMSR (other than the refinancing of any indebtedness already secured by such Ginnie Mae HMSR up to the amount of such indebtedness and the amount of accrued interest and fees and expenses incurred in connection with such refinancing and other than any ordinary course financing of reverse mortgage loans, including tails pools, buyout loans or related securitizations).

The Issuer shall not permit any restricted subsidiary that is not a Guarantor to hold any unrestricted cash or cash equivalents unless the transfer of such unrestricted cash or cash equivalents to a subsidiary Guarantor is prohibited under law or by contracts entered into in the ordinary course of business (including pursuant to any indebtedness permitted to be incurred by such restricted subsidiary). At any time after the repayment in full of the Working Capital Notes, if at any month-end measurement date, the Issuer and the subsidiary Guarantors collectively hold any unrestricted cash or cash equivalents in an aggregate amount in excess of \$90.0 million (measured at each of (x) the last business day of each month and (y) within two business days of receipt of net cash proceeds in an aggregate amount in excess of \$30 million from a transaction or series of related transactions that required the approval of, or was approved by (other than general transaction authorizations in the ordinary course), the board of directors of PubCo), the Issuer shall cause such excess to be credited to an account of the Issuer or a subsidiary Guarantor pledged to the Collateral Trustee as collateral for the Notes and subject to a fully blocked account control agreement in favor of the Collateral Trustee (such account the “Debt Service Reserve”). Prior to the acceleration of the Notes, amounts shall be released from the Debt Service Reserve solely to (i) pay interest on the Notes and the New Exchangeable Notes due and payable, (ii) redeem the Notes, (iii) to partially prepay the Notes as provided below under “Amortization Payment” or (iv) fund any offer to repurchase or repurchase the New Exchangeable Notes.

Ranking; Collateral Trust Agreement and Intercreditor Principles

The Notes will be senior secured obligations of the Issuer and the Guarantors and will rank *pari passu* in right of payment with all other senior indebtedness of the Issuer and the Guarantors, including the Working Capital Notes and the New Exchangeable Notes. The Notes will be secured by the Collateral as described herein under “Priority; Permitted Liens”. The Working Capital Notes and the Notes (and the New Exchangeable Notes) will be effectively senior to any of the Issuer’s or the Guarantors’ existing and future unsecured indebtedness to the extent of the value of the Collateral securing the Notes.

The rights and obligations in respect of the Collateral as between the Notes and the New Exchangeable Notes shall be governed by a customary collateral trust agreement, with U.S. Bank Trust Company, National Association, as collateral trustee (the “Collateral Trustee”), in form and substance reasonably acceptable to the Issuer and the Consenting Noteholders.

The rights and obligations of the Notes and the New Exchangeable Notes on one hand and the Working Capital Notes on the other hand in respect of the Initial Collateral shall be governed by an intercreditor arrangement in form and substance reasonably acceptable to the Issuer and the Consenting Noteholders reflecting the intercreditor principles attached as Annex A hereto.

Table of Contents
